Product color	Black
Product size (L x W x H)	170 x 55 x 50 mm
Net weight	186 g
CE compatibility	Yes
FCC compatibility	No
RoHS compatibility	Yes
REACH compatibility	Yes
EAN code	5901720136992
Warranty	24 months

Description

The Akyga® AK-OT-01P power cable is used to service damaged cables. The cable has **specially prepared terminals for soldering**, which allow easy installation in the device. It is a useful solution for people who professionally repair household appliances and ATX power supplies. The long **1.5 m service cable** is ideal for repairing this type of equipment. It will not only allow easy access to hard-to-reach places, but also makes it easy to carry out the necessary repairs. The power supply cable is **quick and easy to install** and its robust insulation makes it ideal for service work.
