Power cable

Model: **AK-NB-10A**

Product code	AK-NB-10A
Product type	Power cable
Output voltage	250 V
Output amperage	2.5 A
Ground wire	Yes
Cable length	3.0 m
The cable plug #1	CEE 7/7
The cable plug #2	IEC C5
Cable material	CCA
Wire gauge	3x 0.5 mm2
Product color	Black
Product size (L x W x H)	260 x 80 x 70 mm
Net weight	250 g
CE compatibility	Yes
FCC compatibility	No
RoHS compatibility	Yes
REACH compatibility	Yes
EAN code	5901720137012
Warranty	24 months

Description

Akyga® AK-NB-10A power cable is an ideal solution if the original power supply cable is damaged or when you want to replace it with a longer one. The **3 metre cable** will allow you easy access to even the most distant power outlets. You can freely choose the place where your equipment will be placed, without worrying about the lack of nearby sockets. What is more, the cable is characterized by a solid workmanship and durable insulation. On one side there is a **Schuko plug (CEE 7/7)**, on the other side there is an **IEC C5 connector**, also called a clover. This connector is used to power various types of computer and multimedia equipment, including AC adapters for laptops, printers or monitors.
