# Description

**The Akyga® AK-SW-30 magnetic cable** is used to charge **Xiaomi Amazfit** smart bands. It is the ideal solution for people who have damaged their old charger and need to replace it with a new one. Like the original version, this one also has **a built-in magnet** and **a cable with USB plug**. The magnet ensures that the headband adheres perfectly to the contacts, which guarantees a fast and stable charging process. And the universal **USB-A connector** gives you a wide choice of power sources. So, you can connect it to any charger equipped with a USB port, as well as a laptop.
**Suitable for, amongst others: Xiaomi Amazfit Cor A1702.**
