

Adapter

Model: **AK-ND-C06**

Product code	AK-ND-C06
Responsible Entity	Akyga Europe Sp. z o.o., 52-200 Suchy Dwór, Wrocławska 1c, Polska/Poland, contact@akyga.com
Product type	Adapter
Output voltage	18.5 - 20 V
Output amperage	max. 5 A
Maximum power	100 W
The cable plug #1	USB type C
The cable plug #2	3.0 x 1.0 mm
Pin Length	12 mm
Product size (L x W x H)	38 x 24 x 10 mm
Package size (L x W x H)	97 x 70 x 11 mm
Net weight	5 g
Gross weight	7 g
EAN code	5901720138194
Warranty	24 months

Description

Akyga® AK-ND-C06 is a small and very practical **USB-C adapter**. It allows you to quickly and easily change the USB Type C connector to a **3.0x1.0 mm plug**, often found on older **Acer** and **Samsung** laptops. The adapter is a great option for those who need a replacement for a damaged or lost power adapter. It is easy to use and allows you to charge your device quickly and safely. With it, you can easily charge your laptop and other mobile devices using the same universal **USB-C PD** charger. What's more, the adapter allows charging with a maximum power of **100 W**. Therefore, it will easily power both small ultrabook and laptop charged with higher power.

It is worth remembering that the USB-C adapter does not increase the power of the charger it is used with. Therefore, before using it, make sure that the power adapter has enough power to power our device.
