Pin Length	12 mm
Product size (L x W x H)	38 x 24 x 10 mm
Package size (L x W x H)	97 x 70 x 11 mm
Net weight	7 g
Gross weight	9 g
EAN code	5901720138224
Warranty	24 months

Description

The **Akyga® AK-ND-C09 USB-C adapter** is a very useful accessory that allows you to use modern **USB-C** chargers **to power HP laptops** that are not designed for this type of power supply. This way, you don't have to buy a new charger or power adapter when you want to power an older laptop. What's more, this adapter is very easy to use and its versatility ensures that it works with many devices and chargers. This is ideal for people who want to increase the functionality of their old laptop while not spending a lot of money on dedicated accessories.
It is worth remembering that the USB-C adapter does not increase the power of the charger it is used with. Therefore, before using it, make sure that the power adapter has enough power to power our device.
