

Desk

Model: **AK-MB-06**

Product code	AK-MB-06
Product type	Desk
VESA Standard	100x100 mm, 75x75 mm
Rotation	360°
Inclination	+90° / -45°
Maximum Load	2x 10 kg
PIVOT Function	Yes
Screen Size	15" - 32"
Product color	Black
Package size (L x W x H)	400 x 250 x 250 mm
Net weight	3.4 kg
Gross weight	3.9 kg
EAN code	5901720139771
Warranty	24 months

Description

The **Akyga® AK-MB-06 dual-arm gas monitor mount** is an advanced solution that combines functionality with an elegant design. It is ideal for demanding work environments. Thanks to its two independent arms, the mount allows for the installation of two screens, each with a **maximum size of up to 32 inches**, which gives great flexibility in the configuration of the workstation. **A gas spring system** ensures smooth and precise adjustment of the position of each monitor, significantly improving user comfort.

Universal VESA Monitor Mounting System

The AK-MB-06 **monitor mount** is equipped with a universal VESA mounting system, allowing easy attachment of monitors with hole spacing of **100x100 mm** or **75x75 mm**. This makes the mount compatible with most modern monitors available on the market. What's more, mounting directly to the desk ensures the stability and durability of the design, which is crucial for safe and long-lasting use of the equipment.

Flexibility and Convenience

The desk mount offers exceptional flexibility, all thanks to its **two arms on gas springs**. Each arm allows independent adjustment of **tilt angle**, **height** and **rotation**, enabling the perfect screen positioning to meet individual needs. **The PIVOT function** allows you to easily change the monitor's orientation from landscape to portrait for added versatility and comfort in various work scenarios.

Style and Build Quality

The monitor mount combines a modern design with solid workmanship. Made from high-quality materials, it guarantees durability and stability, while the aesthetic design fits perfectly into any modern office space. The built-in **cable management system** effectively eliminates clutter and tangled wires, giving your workstation a neat and professional appearance.

Versatility of Use

The AK-MB-06 mount is perfect for various work environments, from offices to coworking spaces and design studios. In a home office, it allows for efficient use of two monitors, improving ergonomics and workspace organisation. In coworking spaces, where flexibility and space-saving are essential, the dual arms allow for comfortable monitor setup for different users. Professionals and creatives will appreciate the flexibility in screen configuration, which enhances productivity when working on complex projects. Thanks to its versatility and functionality, the AK-MB-06 mount significantly improves comfort and workspace organisation in a variety of contexts.
