Package	EcoBox
Product size (L x W x H)	422 x 200 x 412 mm
Package size (L x W x H)	480 x 225 x 455 mm
Net weight	2.85 kg
Gross weight	3.5 kg
CE compatibility	Yes
Included accessories	AK-CA-03, AK-CA-20
EAN code	5901720131553
Warranty	24 months

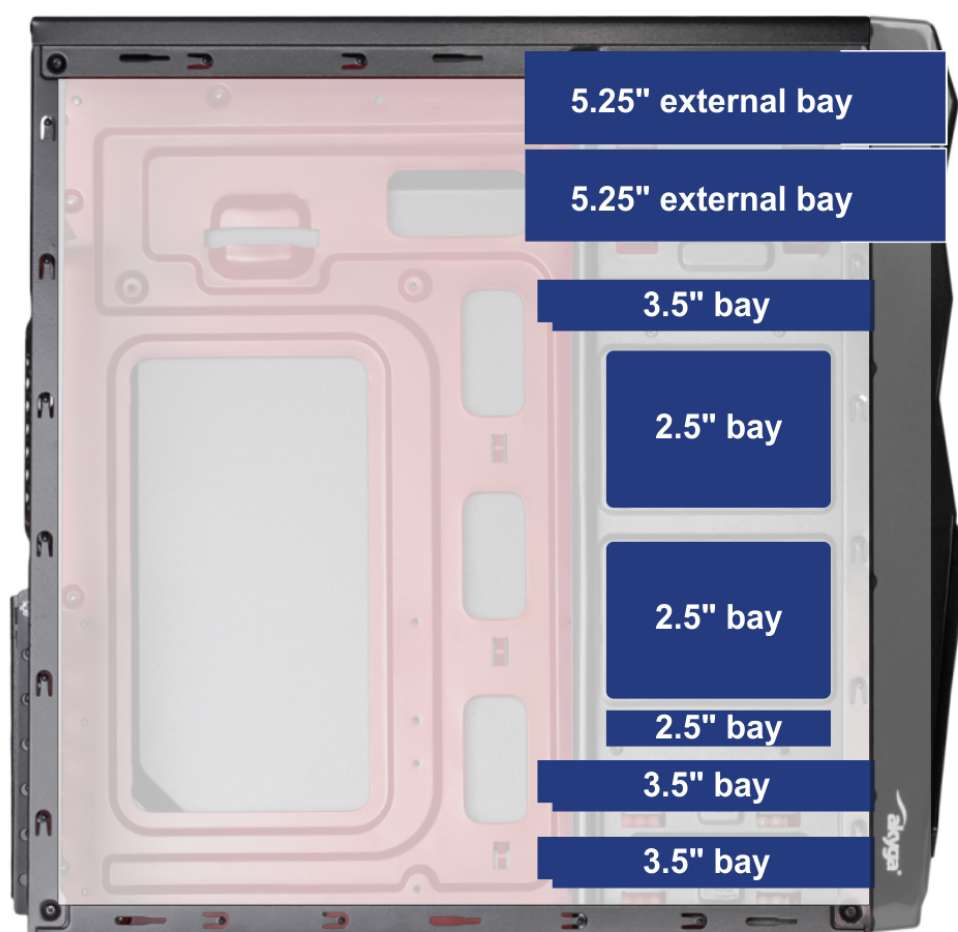

# Description

The **AK12BL** is a compact, versatile case that is perfect for both home and office interior. The case is suitable for four motherboard types - **ATX**, **Micro ATX**, **Mini ITX** and **Flex ATX**. On the front panel there are **two USB 2.0** ports which are great for connecting wireless mice, keyboards, external storage media and other peripherals. The headphone and microphone inputs are located right next to, providing quick and easy access.

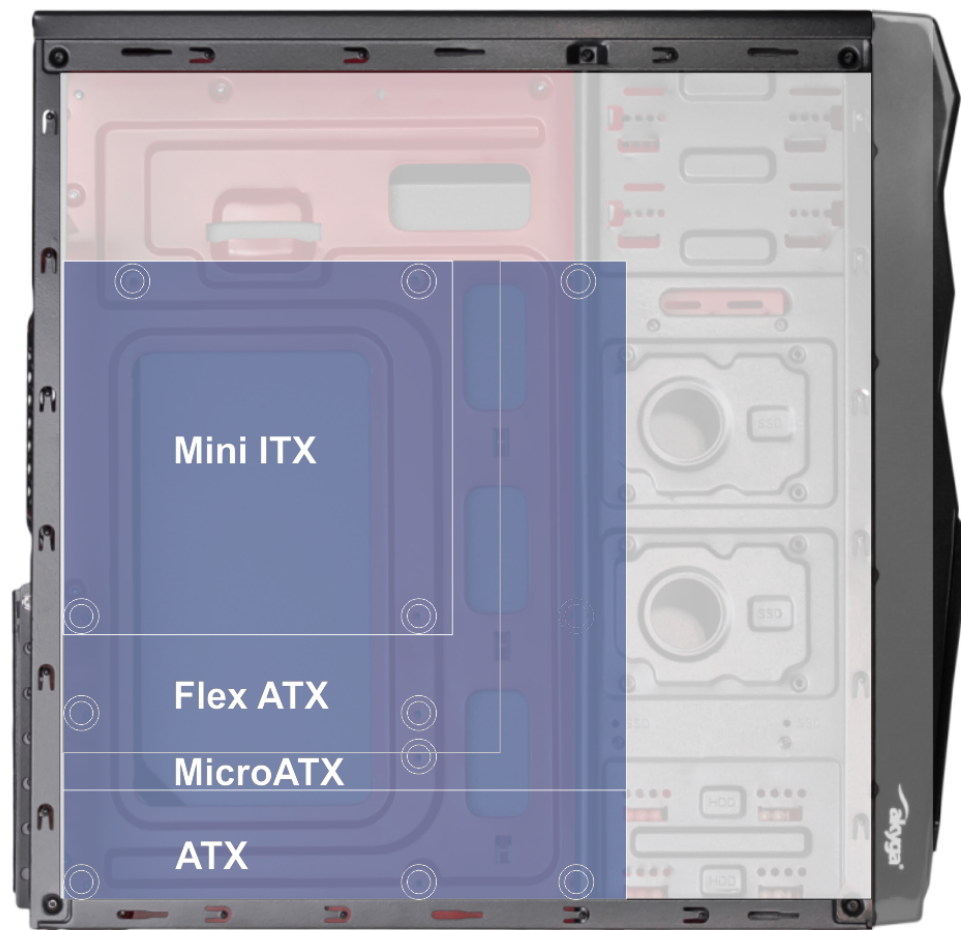

**Two 5.25" external bays** located on the top allow to mount a CD/DVD drive or burner. Inside there are **three 2.5"** and **three 3.5" bays** (convertible to 2.5"), giving **a total of 6 bays** for mounting disks and drives. The applied cable management system and specially adapted holes inside the case make installation of the components fast and easy. The spacious interior holds graphic cards up to **385 mm** long. The case makes it possible to install **two fans**: front (12 or 14 cm) and rear (12 cm). The maximum height of CPU cooling system is **150 mm**.

To protect the environment, all Akyga cases are packed in EcoBox.
