USB 2.0 ports on the front panel	2 pcs
Total number of USB connectors	3 pcs
Memory card reader	None
Audio input on the front panel	1 pc
Microphone input on the front panel	1 pc
Expansion card slots	7
Security lock	None
Hole for padlock	None
Cable management system	Advanced
Installed fans	None
Fan adjustments	None
Spaces for additional fans	5
Fan slots description	Front: 2x12cm, back: 12cm, top: 2x12cm
Water cooling ready	No
Anti-dust filters	Yes
Power supply tunnel	No
Power supply unit included	None
Material	Galvanized steel
Product color	Black

Display	None
Package	EcoBox
Product size (L x W x H)	445 x 180 x 465 mm
Package size (L x W x H)	510 x 230 x 515 mm
Net weight	3.8 kg
Gross weight	4.6 kg
CE compatibility	Yes
Included accessories	Set of mounting screws
EAN code	5901720134929
Warranty	24 months

Description

The Akyga® **AKY013BK** is a Gamer series computer case designed especially for players. Made of high quality components, offers functionalities which should meet even the highest expectations. The front and side panel of the case are made of **plexiglass windows** which allows to see the inside work of the set.
The case allows to mount **Micro ATX**, **Mini ITX**, **Flex ATX** or **standard ATX** motherboard which is a great advantage allowing to adapt components to user's needs. **The 5.25" external bay** located on the top allows to mount a CD/DVD drive or burner. Inside the case there are **two 3.5" bays** and **two 2.5" bays** for hard drives and drivers. The advanced cable management system and customizable internal cutouts facilitate the installation of components, while the spacious interior allows for the installation of long graphics cards up to **350 mm**.
On the front panel there is **one USB 3.0 port** for fast data transfer and **two standard USB 2.0 port** for connecting wireless mice, keyboard, external storage media or other peripherals. The headphone and microphone inputs are located right next to it, providing easy and fast access to the peripherals. For better cooling, there is a possibility to install up to **five fans**. Cooling is also favored by **mesh inserts** on the front panel. The maximum height of CPU cooling system is **150 mm**.
A set of assembly screws included. The contents of the set may vary depending on the delivery.
To protect the environment, all Akyga cases are packed in **EcoBoxes**.
