Description

Akyga® AK-CA-50 is a drive carrier for computer cases. It is designed **to install a 3.5'' HDD or SSD** in an external **5.25'' bay**. It is a perfect solution when your computer does not have free 3,5'' bays or your case is not equipped with them at all. The **external case drive carrier** is characterized by an aesthetic finish and durability. It is made of durable ABS material, thus it is resistant to impacts and deformation.
