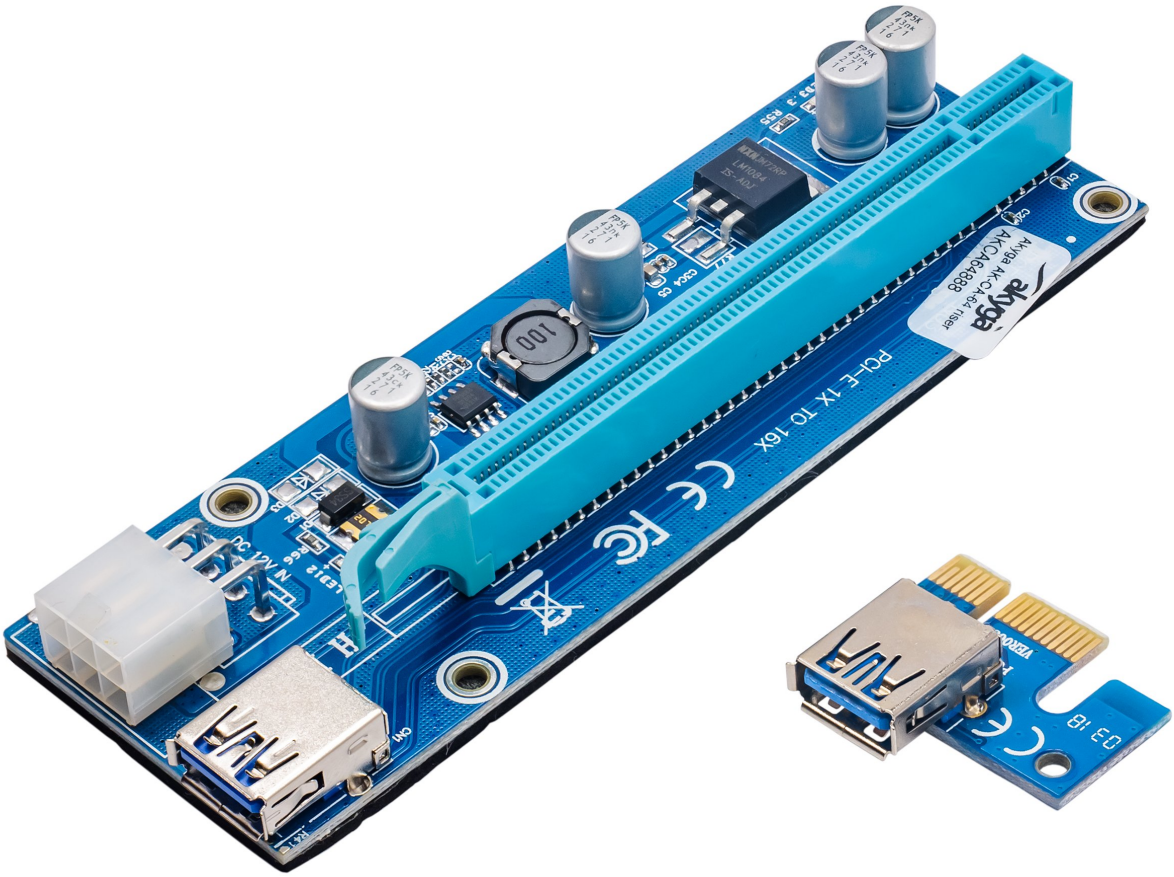
PC case accessories

Model: **AK-CA-64**



Product code	AK-CA-64
Product type	PC case accessories
Series	009s
Compliance with the PCI Express specification	Version 1.0, 2.0
Cable length	55 cm, 15 cm
The cable plug #1	Female connector PCI-E 16x
The cable plug #2	Male connector PCI-E 1x
The cable plug #3	Male connector PCI Express (6-pin)
The cable plug #4	2x USB A 3.0
Power cable included	Yes
Backlight color	Red and blue LED
Package	Foil
Product size (L x W x H)	130 x 43 x 15 mm
Package size (L x W x H)	170 x 63 x 26 mm
Net weight	91 g
Gross weight	96 g
Included accessories	Adapter PCB PCI-E 1x / USB 3.0, cable USB 3.0 55cm, adapter AK-CA-30
EAN code	5901720134806
Warranty	24 months

Description

Riser Akyga® AK-CA-64 PCI-E 1x - 16x for connecting devices with a PCI-E 16x, 8x or 4x input to the PCI-E 1x input. Riser allows to increase the mounting space for modern graphic cards that usually occupy the width of 2 motherboard's slots. It's also useful equipment for mining rig frames. Increased space between graphic cards improves PCI-E slots ventilation, lowering the temperature and increasing the efficiency of graphic cards performance.

Main features:

- Built-in 6-pin power socket and 6-pin SATA adapter,
- USB 3.0 cable with a length of 55 cm for easy and quick card insertion,
- Compatibility with PCI-E 16x, 8x, 4x and 1x slots,
- Gold-plated contacts ensuring high quality of connections,
- Compliance with the PCI-E specification Version 1.0 and 2.0,
- Suitable for 1U/2U rack cabinets,
- Equipped with 4 capacitors to stabilize graphics cards powering,
- 2 LEDs indicating the riser's operation status.

The riser has mounting holes with a spacing of 3.6 cm width x 9.6 cm length.
