Adapter

Model: **AK-SC-36**

Product type	Adapter
Cable length	45 + 15 cm
The cable plug #1	Female connector PCI-E 8 pin
The cable plug #2	2x Female connector PCI-E 6+2 pin
Package	UniBag
Product size (L x W x H)	180 x 30 x 10 mm
Package size (L x W x H)	220 x 100 x 12 mm
Net weight	32 g
Gross weight	38 g
EAN code	5901720137098
Warranty	24 months

Description

The AK-SC-36 is a cable for the **Pro Series** modular power supply. It is a replacement for damaged or lost **graphic card powering** cabling. It is characterised by **high resistance to damage**, thanks to a special braid, which protects the cables against excessive bending or abrasion. The cable has **two PCI-E 6+2-pin connectors**. They will allow to power both mid-range graphic cards with PCI-E 6-pin connector, as well as more powerful solutions that need two additional cables. Furthermore, the product is compatible with both **AK-P4-500** and **AK-P4-600** models.
