PC case accessories

Model: **AK-CA-65**

Product code	AK-CA-65
Product type	PC case accessories
Cable length	25 cm
The cable plug #1	Female connector 4-pin
The cable plug #2	Male connector 2x4-pin + 1x3-pin
Package	UniBag
Product size (L x W x H)	98 x 90 x 13 mm
Package size (L x W x H)	160 x 105 x 15 mm
Net weight	5.6 g
Gross weight	9.3 g
EAN code	5901720134844
Warranty	24 months

Description

The Akyga® AK-CA-65 adapter is a high-quality **power splitter**. It allows you to split an existing **4-pin connector** into three single connectors: **2x 4-pin** and **1x 3-pin**. The adapter has been created for powering fans in PC cases. It comes in handy if you want to connect a larger number of fans but only have one free 4-pin connector. Furthermore, after connecting the adapter to a fan controller, you will be able to read and adjust the fan speed by **controlling the PWM signal**.
