USB Cable

Model: **AK-USB-33**

Product code	AK-USB-33
Product type	USB Cable
Cable length	50 cm
The cable plug #1	Thunderbolt 3 Male connector
The cable plug #2	Thunderbolt 3 Male connector
Data transmission	Yes
Plated plugs	Yes - nickel plated
Product color	Black
Package	UniBag
Product size (L x W x H)	90 x 90 x 6 mm
Package size (L x W x H)	150 x 100 x 7 mm
Net weight	32 g
Gross weight	36 g
RoHS compatibility	Yes
REACH compatibility	Yes
EAN code	5901720136749
Warranty	24 months

Description

Akyga® AK-USB-33 is a high quality **0.5 m Thunderbolt 3 cable** for a wide range of applications. The hybrid male-to-male connector combines the advantages of a **USB-C** and Thunderbolt connector. At the same time, it has the flat, symmetrical shape found in the USB C connector and allows the transmission of high power up to **100 W**, which is the main advantage of the Thunderbolt plug. This universal connector can be used for almost everything. Use it to quickly charge any Thunderbolt 3 device that also features **Power Delivery (PD)**, including Apple devices. And you can transfer music and photo files from your smartphone to your notebook just like that. You'll be able to transfer all kinds of data at speeds up to **40 Gbps**, which is 4 times faster than the USB 3.1 standard. The transmitted picture can have a **resolution of 4K** or even **5K**. Provided that the connected devices support this image quality.
