Description

Akyga® AK-SW-31 is a reliable **charger for your Fitbit smartband**. High-quality components guarantee the durability and safety of your equipment. Therefore, it is an ideal replacement for a damaged or lost accessory. Moreover, the charger is equipped with a **1 m long USB cable**. This allows you to freely connect your device, wherever you are. You can connect the standard connector to any power source with a USB-A port. In this way, you can quickly charge your sports band using a notebook as well as an AC adapter. The charger also features **spring-loaded contacts**, which ensure optimal pressure on the smartband and thus **stable charging**.
Fits among others: Fitbit Inspie 2, Fitbit ACE 3.
