Description

The Akyga® AK-SW-35 is the perfect replacement for a lost or damaged charging cable **for Fitbit sports band**. The high-quality **clip**, just like the original charger version, **firmly holds the band in place**. Thus, you can be sure that the core properly adheres to the power pins, which ensures the stability of the charging process. Furthermore, the adapter is **terminated with a universal USB-A connector**. It provides you with the freedom to choose the power source for your smart band. This can be either a USB mains charger, a powerbank or a car charger.
Suitable for, amongst others: Fitbit Alta HR.
