Adapter

Model: **AK-ND-C15**

Product code	AK-ND-C15
Product type	Adapter
Output voltage	18.5 - 20 V
Output amperage	max. 5 A
Maximum power	100 W
The cable plug #1	USB type C
The cable plug #2	4.0 x 1.3 mm
Pin Length	12 mm
Product size (L x W x H)	38 x 24 x 11 mm
Package size (L x W x H)	97 x 70 x 12 mm
Net weight	6 g
Gross weight	7 g
EAN code	5901720138286
Warranty	24 months

Desctription

The **Akyga® AK-ND-C15 USB-C adapter** is a useful tool, especially for those who use laptops and other electronic devices with older DC connectors. With this adapter, you can easily adapt chargers with USB-C PD to laptops powered with a **4.0x1.3 mm plug**. This is the perfect solution for people who want to adapt their older devices to new technologies easily and quickly. What's more, the adapter is universal and supports the **Power Delivery standard**, which means that the supply voltage is automatically selected between 18.5 and 20 volts.
Please note that the **USB-C adapter does not increase the power of the power supply**, but only allows it to be connected to a laptop or other device with a 4.0x1.3 mm connector. Therefore, before using the adapter, make sure that the power supply has sufficient power that you expect.
It is worth remembering that the USB-C adapter does not increase the power of the charger it is used with. Therefore, before using it, make sure that the power adapter has enough power to power our device.
