Power cable

Model: **AK-RD-01C**

Product code	AK-RD-01C
Product type	Power cable
Series	Pro
Output voltage	250 V
Output amperage	2.5 A
Cable length	1.5 m
The cable plug #1	CEE 7/16 (Europlug)
The cable plug #2	IEC C7 (SN-14)
Cable material	CU
Wire gauge	2x 0.5 mm2
Product color	Black
Product size (L x W x H)	180 x 70 x 40 mm
Net weight	83 g
CE compatibility	Yes
FCC compatibility	No
RoHS compatibility	Yes
REACH compatibility	Yes
EAN code	5901720139504
Warranty	24 months

Desctription

The Akyga® AK-RD-01C power cable is a high-quality cable with a **length of 1.5 m**. It has been created to supply power to devices with lower energy requirements (max. 2.5 A). Moreover, the AK-RD-01C power cable is **made of copper**, which guarantees a stable and efficient power supply.
The power cable has been terminated with an **IEC C7 connector**, which is also known as a **figure eight** due to its characteristic shape. It can be found in many devices such as radios, laptop power supplies, DVD players or consumer electronics.
On the other hand, the power cable has a **CEE 7/16 plug**, often referred to as a Europlug. This is a standard connector designed to work with European standard power sockets, offering a safe and secure connection.
