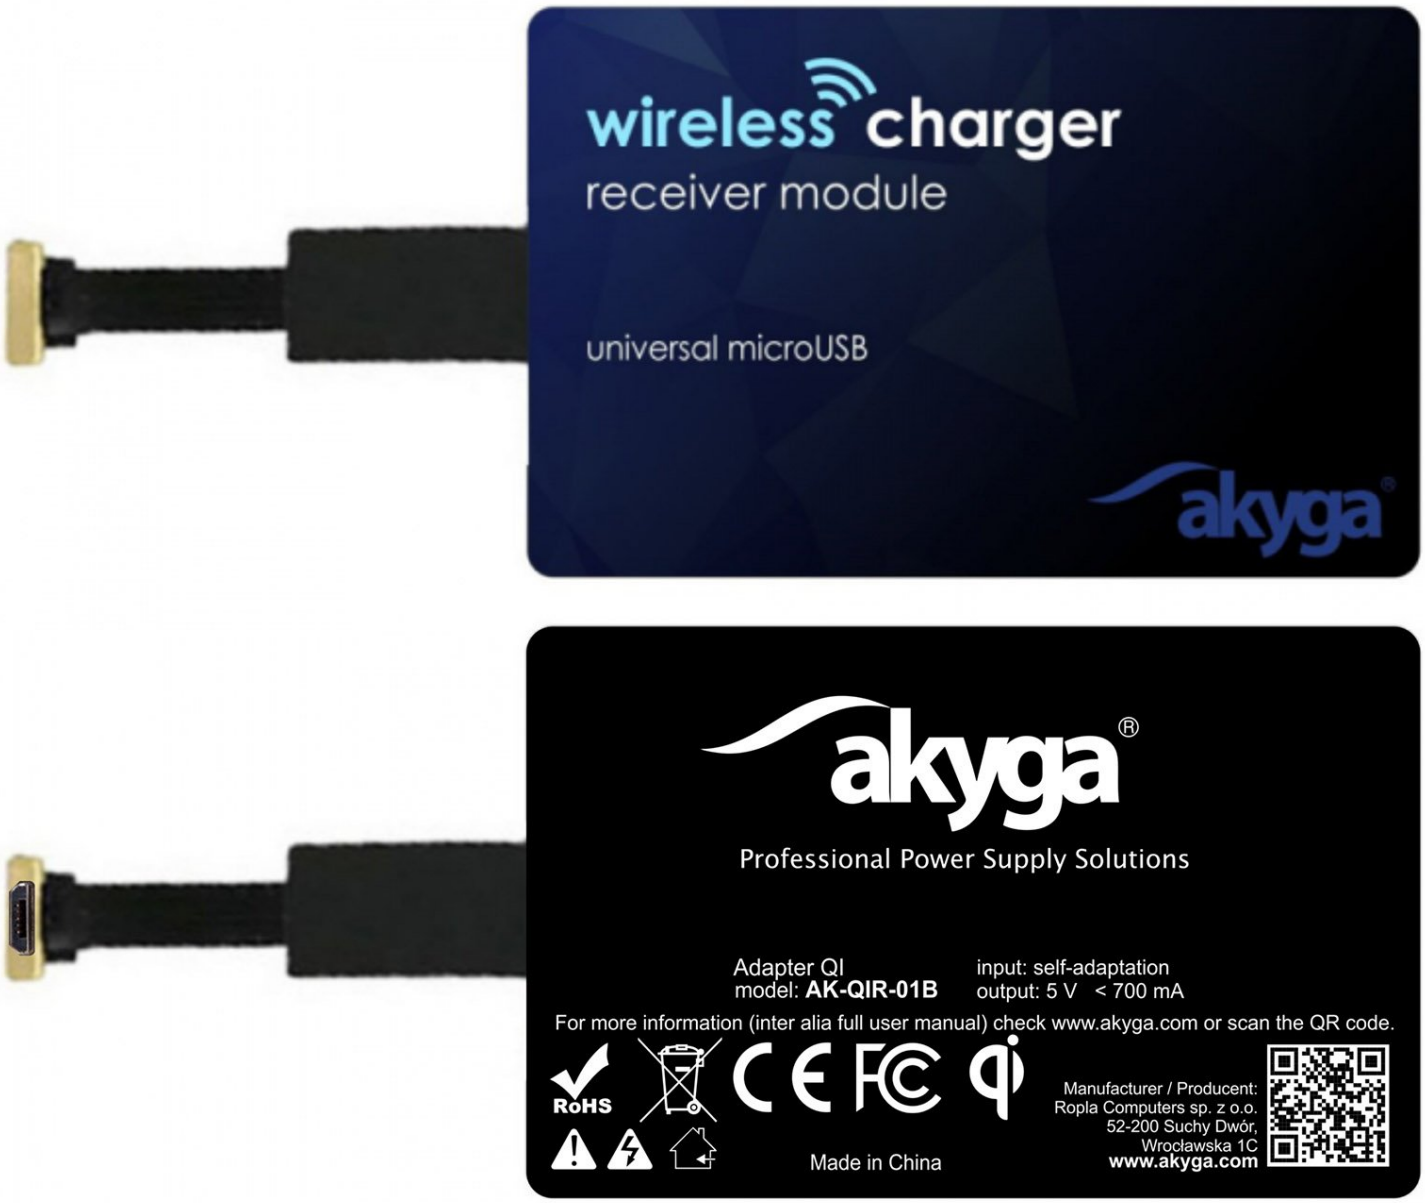
Inductive charger

Model: **AK-QIR-01B**



3

Product code	AK-QIR-01B
Product type	Inductive charger
Power supply connector	Micro USB B (type B)
Power parameters	5 V / 0.7 A
Product color	Black
Temperature	5 - 50 °C
Package	UniBag
Product size (L x W x H)	105 x 45 x 5 mm
Package size (L x W x H)	160 x 90 x 6 mm
Net weight	6.5 g
Gross weight	10 g
CE compatibility	Yes
FCC compatibility	Yes
EAN code	5901720132772
Warranty	24 months

Description

High quality **QI adapter** with **microUSB** output, designed to allow inductive charging on devices not equipped with QI module.
The universal connector is compatible with all smartphones and other devices powered by **5V/0.7A** maximum rated current. It's a great solution especially in case of smartphones with non-removable back - just plug the adapter and hide it in the case. Thin design and light weight guarantee comfortable use. Charging of the device is done by an induction coil and requires no wires. When the device is placed on a charger the battery starts charging automatically.
The **AK-QIR-01B** adapter allows to adapt your equipment to modern charging solutions, get rid of traditional network chargers and reduce unnecessary wiring. This product is compatible with all inductive chargers.
The thickness of the adapter is 0.8 mm in place of the coil and 1.6 mm in place of electronic circuits.
